

Team Formation & Infrastructure

Project Topic: California Housing Market Intelligence

Course: Introduction to Data Mining

Project Phase: Team Setup & Collaboration Framework

1. Group Information

Role	Name	Email
Member 1	Brian Mellinger	bmelling@charlotte.edu
Member 2	Rachel Roberts	rrober45@charlotte.edu
Member 3	Isaiah Deppong	ideppong@charlotte.edu

2. Operational Norms

Preferred Mode of Communication: *(Please check one as the main one)*

☒ **Google Chat**

☐ Campuswire Chat

☐ Discord

☒ **Email**

☐ Whatsapp

☐ GroupMe

☐ Zoom

☐ On campus

☒ **Other: Text message**

Software Sharing Infrastructure: *(Please check one)*

GitHub (Recommended: provides professional version control)

Google Drive (Only for non-code assets/drafts)

Weekly Sync:

- **Scheduled Meeting Time:** MWF after class if needed (11:00am - 12:00pm)
- **Zoom/Meeting Link:**
<https://charlotte-edu.zoom.us/j/98690611256?pwd=E3YxYpzkWIX8uCznYWOCZFkJKSveIX.1>
Meeting ID: 986 9061 1256
Passcode: 343988

3. Submission Proof & Requirements

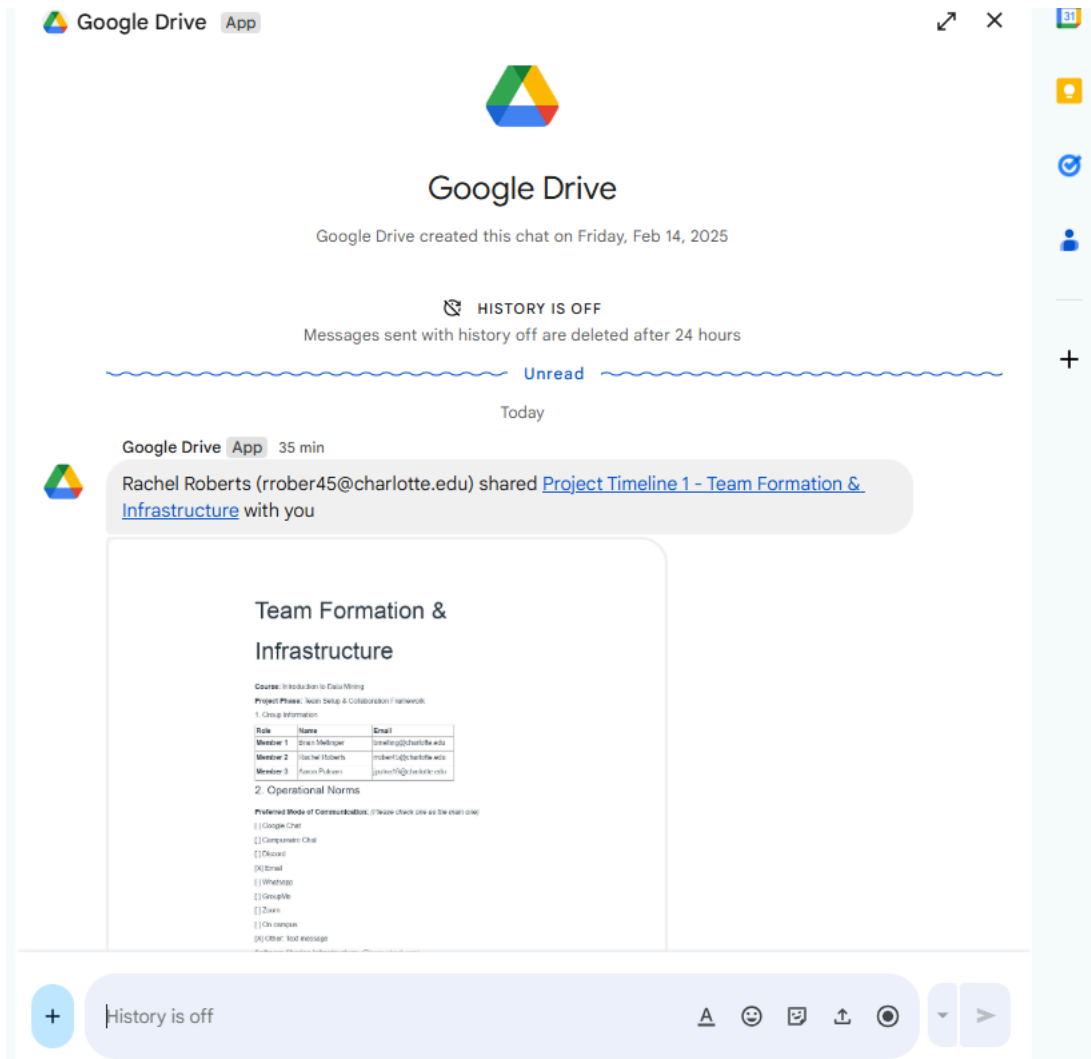

Please attach the following documentation to this file before submitting.

A. Communication & GitHub Verification:

- Attach a screenshot of your primary communication channel (e.g., Discord server, Slack, Email, Google Chat) that shows the **GitHub Repository URL** or google folder link has been shared with all group members.

Link of github repo: <https://github.com/bmelling-stack/Data-Mining.git>

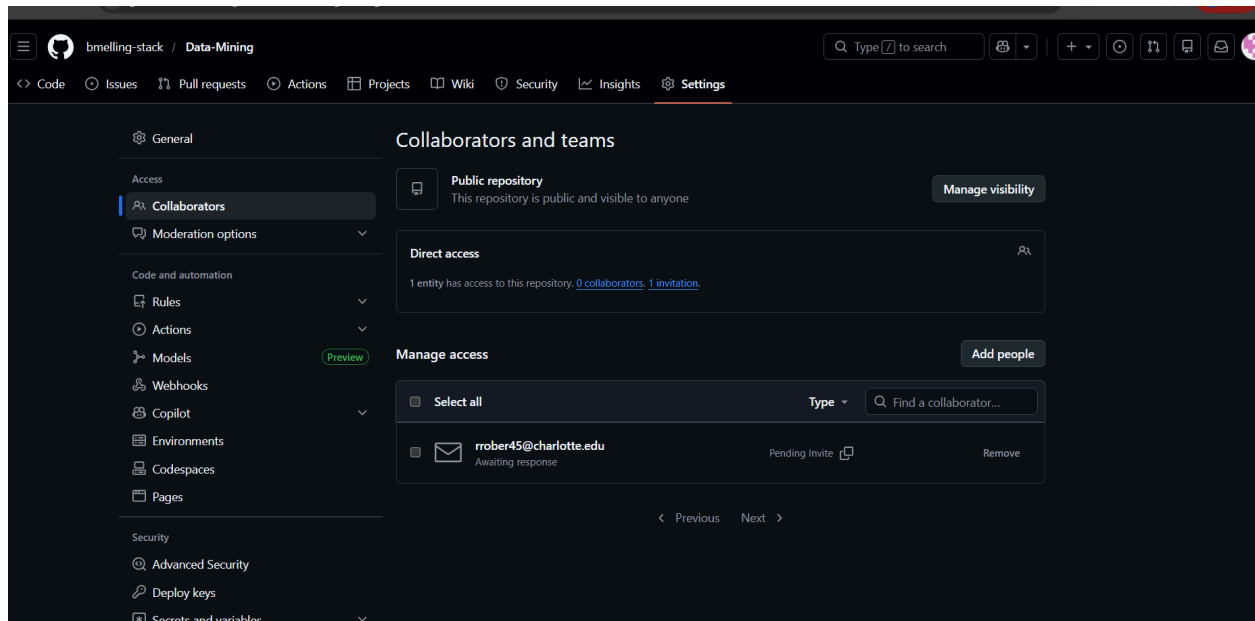

Start of the google drive chat between rachel and I

B. Software Sharing Proof:

- **If GitHub:** Attach a screenshot of the repository "Contributors" page OR a screenshot of each member's individual GitHub profile.

Github repo invitation page, sent to rachel (look below)

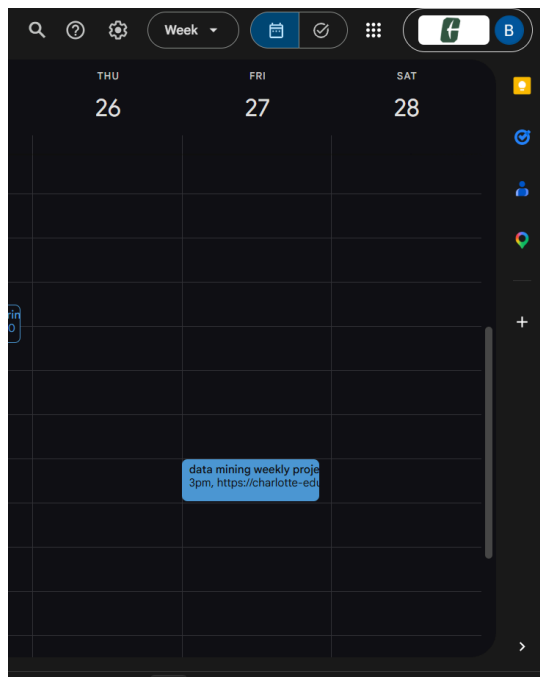

- **If Google Drive:** Paste the link to a **shared folder** that contains all group members. *Ensure the folder is set to "Anyone with the link can edit" or is shared explicitly with all team members.*

https://drive.google.com/drive/folders/1ifVf5DIR2jizg7XsgaHL_-aqujT4iLk?usp=sharing

C. Meeting Verification:

- Attach a screenshot of the calendar invite or Zoom meeting settings confirming the **recurring** weekly time and that all members are added to the invite.

Recurring Friday meeting from 3:00pm - 4:00pm

Fri, Mar 27

03:00 PM - 04:00 PM

data mining weekly project meeting

Meeting ID: 986 9061 1256

Fri, Apr 3

03:00 PM - 04:00 PM

data mining weekly project meeting

Meeting ID: 986 9061 1256

Fri, Apr 10

03:00 PM - 04:00 PM
